Your bill pay account: How to use eBill

Welcome to eBill. See your bill in full detail.

Your bill pay account has eBill. That means you can receive, view, pay and track your bills online — all in one secure place.

Also, for certain payees, you can see detailed billing information from your payments dashboard. If your payees provide them, you'll see each line of your statement, including your balance, credits, recent transactions, payment history and amount, the minimum payment due and more.

To get started, just follow the steps below to use eBill with full statement details.

How to set up eBill

It only takes a few moments to set up an eBill. Here's how to do it.

- 1. Go to eBill Connect and select **"Set up** eBill" (A) under the payee's name
- 2. Enter your **login credentials** for the payee's website
- 3. Review the terms and conditions, then select "Accept and Submit"
