

## About Us

American National Bank and Trust Company was established in 1909 to provide community-banking services to the citizens of Danville. In the past 100 years, the bank has grown from a single office on Main Street in Danville to a regional, progressive financial institution. Though our growth has been significant, our focus of building relationships through quality financial services with exceptional customer service has not changed.

American National is a community bank serving Southern and Central Virginia and the northern portion of Central North Carolina. American National provides a full array of financial products and services, including commercial, mortgage, and consumer banking; trust and investment services; and insurance. Services are also provided through an ATM network, "AmeriLink" Internet banking, and 24-hour "Access American" phone banking.

We take our role as a community bank very seriously. The Bank has and will continue to be a leader in charitable and civic support, whether it is financially or through the thousands of hours our employees devote each year to better the communities where we work and live. Success for American National is dependent on the viability of the markets we serve. That is why we will maintain our commitment to our communities.

We believe our quality financial services, exceptional customer service, attention to detail, and convenience make us a great bank. However, our people and dedication to our communities make us a great community bank...and that is what sets us apart from the rest. We invite you to stop by one of our offices to see how a relationship with American National can benefit you...and your community.
